Examiner's Interview Summary dated: June 27, 2008

REMARKS

First, Applicants would like to gratefully acknowledge the Examiner's consideration in conducting a telephone inquiry on April 24, 2008. Claims 9, 17, 23 and 28 were discussed.

With regard to the substance of the interview, Applicants received an unsolicited phone call on the above date from the Examiner, who wished to discuss specification support/"antecedent basis" issues with regards to the limitation "computer-readable medium" recited in certain claims of the present application. Applicants, being unprepared for the Examiner's unsolicited phone call, did not have the file at hand and did not feel it proper to respond to the Examiner's inquiry at the time. Therefore, Applicants requested these matters be discussed at a future, more appropriate date. Applicants look forward to discussing these matters with Examiner, and again gratefully acknowledge the Examiner's consideration in conducting the telephone inquiry.

The Examiner is invited to call the undersigned attorney at the telephone number listed below. The Office is hereby authorized to charge any fees, or credit any overpayments, to Deposit Account No. **11-0600**.

Respectfully submitted,
